

## Family Member Interview--All About Work

Ms. Gray has had many jobs in her life. She has been a teacher for ten years. Before that, she worked at a vegetarian restaurant, a coffee shop, a record store, a clothing store, two video stores, an inn, a landscaping company, an internet start-up, an environmental group, two bagel shops, a real-estate office, and a Chuck E. Cheese pizza restaurant (where she dressed in a rat costume). She also worked as a babysitter between the ages of eleven and fifteen. Sometimes, she's worked four jobs at a time, and sometimes, she's only had one job. Her favorite job has been parenting two, amazing children. It is an unpaid job, but she gets plenty of love in return.

**Directions:** Talk to one of the adults in your family. Ask them questions to find out more about the jobs they do now and the jobs they have done in the past. Below are some questions to get you started, but you may think of more questions on your own.
