

## Products My Family Uses

A **product** is something you buy and use that you can touch. I use toothpaste and a toothbrush to brush my teeth. Toothpaste and toothbrushes are products. I drive a car to work filled with gasoline. A car and gasoline are both products. I drink tea and eat vegetables each day. Tea and vegetables are both products.

1. Name 5 foods that your family often buys to eat. List these five food **products**.

- a. \_\_\_\_\_
- b. \_\_\_\_\_
- c. \_\_\_\_\_
- d. \_\_\_\_\_
- e. \_\_\_\_\_
