Revision/Editing Checklists--Fairy Tale

Revision: I made sure to…

❏ Write a beginning that introduces my main character, other important characters, and the problem in my story.

❏ Write a middle that shows how the main character tries unsuccessfully 3 times to solve the problem.

❏ Write an ending that shows how the problem is finally resolved.

❏ Use transition words to connect my ideas (e.g., *first, then, next, finally, because, before, during, after, when, in the beginning, at the end, the next day,* etc.).

❏ Write my ideas clearly, so my reader can understand what I wrote.

Editing: I made sure to…

❏ Capitalize people and place names.

❏ Use a period or other punctuation to end each sentence.

❏ Reread to check the spelling of each word.
