First supporting paragraph			
 Sample supporting reason and evidence: Reason 1: One reason why I think my friend, Laura, is a caring friend is because she tries to cheer me up when I'm sad. Evidence 1: For example, she knows that I love goats, so if I'm having a bad day, she sends me cute goat gifs or videos of goats to make me smile. My favorite is when she sends me videos of baby goats in pajamas. Evidence 2: She also knows that, when I'm sad, it helps me to talk through my feelings, so she calls me on the phone.
